A SAFE ENVIRONMENT AT SCHOOL

In-person instruction will follow a traditional Monday-Friday schedule, with modifications for safety and social distancing.

Per state mandate, face coverings are required for students and anyone visiting the school and on busses. Face coverings will be provided for students, if needed.

Spaced desks and assigned seating will be used for contact tracing and students will follow a regular hand washing schedule.

Teachers and staff will wear face coverings at school. School plans will allow for social distancing as best as possible.

Building cleaning and disinfecting schedules will be enhanced. Also, each school will have an isolated health location.

Accommodations will be made for students with IEPs, 504 plans and other needs.

WE NEED YOUR HELP!

Students who are sick MUST stay home.

Students will be sent home if they come to school while sick. Parents must be sure their contact information is current with the school in the event their student needs to be picked up for any reason.

Planning Ahead

IF RECOMMENDED BY THE HEALTH DEPARTMENT, WE ARE PREPARING TO SHIFT TO A MODIFIED DAILY/WEEKLY SCHEDULE OR FULL DISMISSAL.

IN THE EVENT OF A LOCAL OUTBREAK, CLASSROOMS OR ENTIRE SCHOOLS MAY BE DISMISSED FOR A PERIOD OF TIME.

School specific information and other details can be provided by your principal.
